Tucker Honored

Recognition of the merits of Representative H. St. George Tucker, of Lexington, Va., and of the esteem in which he is held by fellow members of Congress, was accorded by giving him a place on the important Committee on the Judiciary, by formal action of the House.

The Republican majority enlarged the committee from twenty-two to twenty-three members in order to make a place for the veteran Virginia Congressman—a most unusual procedure. The House Judiciary Committee now includes two Virginia members, the other being Representative Andrew J. Montague, of Richmond.

Good Buying Place

The town of Appomattox, through her reliable merchants, invites the shopper and affords our people a protection they cannot get elsewhere. Personal friendship and acquaintance. It affords us pleasure at this season to mention our most progressive home merchants, who are anxiously awaiting the opportunity to serve you.

H. M. BURGE

Harrison, as he is familiarly called by his friends, has built for himself a reputation that will at once serve to make you feel at home in his great store. He has the goods you want and at prices that defy competition. You know his plan of cash and save appeals to the economical shopper and you can make no mistake in supplying your needs from his well-arranged store.

W. E. LEE & CO.

This concern too buys and sells for cash and enjoys a splendid patronage. Located on the south side of town, your visit to our pretty city would not be complete without a look at his complete stock, and a comparison of prices. His line is general merchandise and he cordially invites you to his store where you will be able to satisfy your shopping needs.

OULD—LAWSON HDW. CO

This first-class hardware store is in charge of Dick Smith and Pete Jamerson, county boys, full of pep and enthusiasm, and crave the chance to serve you. Get the boy's pocket knife and the wife's cedar chest here. You will find gifts here for all—from dad down and your visit to our town will not be complete if you fail to visit this show place.

APPOMATTOX CONSTRUCTION CO

This concern is one of the highly prized enterprises of our town, and it fills the field replete with its expert service and large stock. If you will take your building troubles to Ned Wagers he will solve them for you. Always ready with the goods—large or small orders—filled with a service that challenges your admiration.

L. E. SMITH

Len grew up with the town, and of course, is accorded the encomium of seniority among all the merchants of the city. His faith in Appomattox and her people has always been steadfast. He knows the needs of the people and is fully prepared to serve and satisfy their every want and desire. A pioneer in every enterprise, which makes for the good of his county. We commend his immense stock and service to a buying public.

W. J. LEGRAND

Joe is our green grocery man—in front of our office, and it is a pleasure as we observe his uniform courtesy to his army of customers. His cuts seem just a little sweeter to us than the other fellow. He deserves your patronage, and his service to the community is sure to increase.

THE MEN'S SHOP

A special sale is now in full swing at this store, and wonderful bargains are to be had in men's apparel. Large crowds are in attendance every day, and you are fortunate in having a sale of such magnitude in the midst of your buying season, and you will find the article you want for dad or brother.

CHAS. F. JAMES

In addition to a complete drug store, you will find here useful gifts for the whole family—the Xmas box he fixes up will make your girl sweet the whole year if not for life. He only asks that you "Try the drug store first."

L. B. HARVEY

A soul without music is to be pitied. This young man can gladden the home with the very latest models in phonographs, pianos and radios. Drop him a card and he will give you a service that will astonish you. His word is a sufficient guarantee of satisfaction in every detail and we gladly commend him to the homes and hearts of our people.

COMMUNITY NEWS CO

Just opposite this office M P. Porter, the proprietor of this concern will sell you all the latest periodicals and can post you on the price of all publications. His lunch room and confections are inviting, and if you want to send her fruit get Porter to fix the basket.

PEOPLE'S CAFE

On Main Street, opposite this office, in charge of C. W. Cawthorn, is the town cafe. Good eats at most any hour and at most reasonable prices. No longer any excuse for going hungry when you can feed at popular prices.

A. H. GREGORY

With two floors chocked full of the latest novelties in furniture, carpets, rugs, stoves, ranges, bric-a-brac—useful gifts for the home, he is ready to meet your demands. What more enduring or appreciative gift can you make the home than a beautiful floor covering or some artistic piece of furniture. Every member of the family will enjoy its presence and comfort. Such gifts impart a friendship that lingers with the donee for life. When death invades your home, I have equipped my undertaking department with the very latest design of auto hearse for your service, and the very best costs you no more than the antiquated kind.

J. A. BURKE

Jerry sells insurance, which protects property and affords the comforts of life to your dependents. Energetic and correct he deserves the patronage of an appreciative public. It is our pleasure to commend him and his splendid companies.

Card of Thanks

I want to thank all my neighbors and friends for the kindness shown me during the illness of my son Curtis.

MRS. J. C. FERGUSON AND SON.

The Athletic Association put on their winter minstrel at the school auditorium here Tuesday evening. The show was greeted by a large turnout of our people and our local talent presented a well pleasing program. Prof. Wilkins directed the program and the whole was of a high order.

Bottle Manufacture

When a bottle is shaped and drops out of the machine at a dull red heat it is not finished. If allowed to cool in the open air at such a temperature it will break. For this reason the hot bottles are run slowly through an oven called a lehr, where they cool gradually. They are then ready for use.

A GIFT
For the Entire Family

Here is a gift that will bring Christmas cheer to the entire family. It's the new Sunbeam Cabinet Heater, a warm-air circulator, that will give comfort and enjoyment to every member of the household all winter long. The

SUNBEAM CABINET HEATER

is a practical gift and a good-looking one, as attractive in appearance as a fine piece of furniture. It's a new kind of heating system that takes the place of two or three stoves, and pays for itself in savings in fuel. Although it requires no basement, the Sunbeam circulates moist, warm air like a furnace instead of radiating heat like a stove, thereby maintaining an even temperature upstairs and down in the home of five to seven rooms. It is made in two finishes—Grained Walnut and Olive Green porcelain enamel fused on Armco Iron.

Come in today and let us demonstrate the Sunbeam Cabinet Heater for you. We can deliver it for Christmas Day.

TIGHT FEELING

Stomach Troubles Relieved by the Aid of Black-Draught.

Telling how he obtained relief from very disagreeable symptoms of stomach trouble, Mr. Charles T. Wintz, of R. F. D. 4, Huntington, W. Va., made the following statement:

"I began taking Black-Draught about fifteen years ago. I would have gas on my stomach that just pressed and seemed to shorten my breath, and I would have all kinds of feeling. My head would ache and I was in a very bad fix.

"I had tried remedies that didn't seem to do me any good. I saw Black-Draught advertised and sent for it.

"After taking a few doses, I knew it was helping me. It seemed to break up the gas, and the tight, was like a new man. I would not be without Black-Draught. I can get anything I want to. If I get dizziness in the head, Black-Draught relieves it."
